What is **Peep** ?

FREE

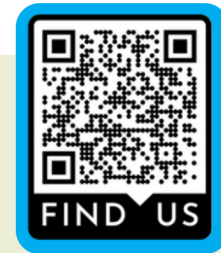

Peep sessions are a friendly group for **parents, carers, babies** and **children**.

Peep Programmes help parents and carers to *do more of the little things*; **like listening, talking, playing, singing**, and **sharing books and stories**, to support your children's learning and development.

Our 6-week sessions use the **'Peep-Learning Together Programme'**, which shares ideas for supporting young children's learning and play during everyday life.

'Peep' stands for **Parents Early Education Partnership**.
